### Open Meeting Invitation: Field & Park Study

The Natick Recreation & Parks Department would like to hear from residents regarding our fields and parks in Natick. The Department is working with Weston and Sampson to solicit feedback regarding the recreational needs and wants of its residents.

Anyone interested in speaking on parks and fields in town is encouraged to attend any and all sessions. The accompanying schedule lists when each section will be presented. We have divided the community into 6 sections so please attend those meetings that have the parks and fields you are most concerned about. If you cannot attend please feel free to send your thoughts and suggestions to the Recreation and Parks Department at [recreation@natickma.org](mailto:recreation@natickma.org) or bring to the Cole Center, 179 Boden Lane.

Sincerely,

Jon Marshall, Director  
Natick Recreation & Parks
